

Events + Exhibitions

Our spaces are just as versatile as your needs are varied.

We place great value on achieving the highest possible standard of quality and we have the very latest technical equipment at our disposal.

Our two directly adjacent venues comprise eight halls and rooms, with a combined area of over 30,000 m². These halls are perfect for trade fairs, exhibitions, events, conventions, general meetings or classic conferences.

The halls can be combined as required and each one has its own catering options.
